Description

Casa Pato Preto has 3 bedrooms, each with fitted wardrobes and 2 bathrooms. The bathrooms and kitchen are decorated with beautiful Portuguese tiles.

A 3rd shower room is located at the pool area.

The spacious living and dining room leads out onto a large terrace and beautiful garden.

Equipment:

Kitchen and utility room with gas stove, microwave, refrigerator, dishwasher, washing machine, coffee maker, electric kettle and toaster.

The patio is located between the house and pool area, a shady place from the strong sun or wind, also very popular in the warm summer evenings.

The rooftop terrace offers guests the opportunity to sunbath with a wonderful view of the sea and the countryside.

Casa Preto is the perfect house for every season. Because of the heated pool, the house can also be used in the cooler months.

Bed linen, towels and tea towels are provided.
