Description

This immaculate property is situated on the first floor of a small building. It has been modernised to a high standard and has completely new furnishings throughout. The combined lounge and bedroom has a double bed, coffee table, comfortable seating, tv for satellite viewing and a dining table to seat four persons. Large patio doors and a window, both facing the sea flood the room with natural light.

The private balcony bordering the lounge faces the Atlantic Ocean, beach and square. You will find it hard to find an apartment in Carvoeiro with a better view. Enjoy breakfast al fresco with croissants from the local baker or pre dinner drinks, whilst watching the sunset.

The separate bathroom has a shower, toilet, bidet and sink.

The kitchen is brand new, fully fitted and has everything needed for your self catering needs.
